*Rocky McElveen is qualified in Alaskan hunting & fishing; not only did he grow up in Wild Alaska, but recreated his youth by building a first class Alaskan lodge with wilderness hunting and fishing. Learn all the survival and outdoor skills you will need from the best.*

*Sportfishing in Alaska Rivers and Lakes is legendary. The very names of some of the Alaskan Sport fish you may catch generate visions of adventure, Alaska Fishing Paradise! King Salmon, Red Salmon, Silver Salmon, Chum Salmon and world class Sheefish, Arctic Char, Grayling, Dolly Varden and some of the best Northern Pike fishing in Alaska. The Holitna River and tributaries are highly rated and listed in the state's top 10 Alaskan Rivers for fly-fishing or lures. We are in very remote, untouched Alaska.*
