TRIP CANCELLATION INSURANCE: Should you cancel your trip because of illness, injury, death to a family member or other agreed upon reasons, this insurance protects your payments. We **strongly** recommend the purchase of trip insurance.

For Details: [check out www.travelprotect.com/alaskan_adventures.htm](http://www.travelprotect.com/alaskan_adventures.htm)

I acknowledge that I have been advised to secure travel and trip cancellation insurance to cover any losses or trip damage that may occur resulting from changes in itineraries or my ability to arrive and depart from the lodge at previously scheduled times.

CANCELLATION POLICY: We are possibly the only lodge or certainly one of a select few that will work with clients that are unable to come on a scheduled trip. Once lodges reserve slots that are paid for, then a cancellation often leaves them unable to make up that revenue and on top of that the costs incurred to the lodge remain almost the same. Guides, pilots, and staff are hired based on projected numbers of guests and they remain on payroll. Rooms, equipment, food, etc. are reserved and purchased in anticipation as well. Alaskan-Adventures does not refund in this situation and I don't know of any lodge that will, but the difference is that Alaskan-Adventures will reserve a comparable fishing or hunting trip for either the same client(s) or designated friend(s) for the same or following year if applicable.

HUNTING LICENSE: HAS YOUR RIGHT TO OBTAIN OR EXERCISE THE PRIVILEGES GRANTED BY, A SPORTFISHING, HUNTING, OR TRAPPING LICENSE BEEN SUSPENDED OR REVOKED IN ANOTHER STATE? YES NO
